

Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents.

Kapil Gyanpeeth, committed to its vision and mission, organized the first offline Parent Teacher Meeting for classes II to VIII on 9 September, 2021 with different time schedule to maintain proper social distancing, following all the safety protocols, wherein the parents, teachers and students interacted to share general concerns, strengths, areas of improvements and the academic performance of the students in the Mid Term Exam 2021.

Kapil Gyanpeeth resonated with the chuckle and chortle of young wannabees who were thrilled to attend the school with their parents and tomtomed their achievements in school.

The Dandiya dance practice of our young aspirers, dribbling of meandering basketball at the court and children swinging and singing was applauded by the parents. Impressed parents saw the ongoing activities in the school for the overall development of students and their words of praises heartened the students and teachers alike.

Parents were very supportive, encouraging and greatly appreciative of the efforts taken by the school to take care of their children even during these testing times in instilling good values, providing innumerable opportunities for growth, bridging the academic gap and continuous guidance.

Principal Ms. Karuna Yadav, thanked the parents for their continuous support and appreciated the teachers for their diligence.

PTMs create a strong bond between the school and parents which is essential for the holistic development of any child, she said.
