The day was filled with reverence and devotion.

The teachers shared the relevance and importance of Nine Days Festival - Navratri and importance of each day with the students. The students also learned about the nine forms of Goddess Durga and how Navratri celebration symbolises victory over Evil . The celebration began with seeking the blessings from Goddess Durga to protect the KGPIans from all evils. It was followed by beautiful Garba and Dandiya dance presented on traditional peppy songs and rhythmic beats of pulsating music by the students and teachers , who were all gorgeously attired in colorful traditional outfits as Nava Durgas.
